

Architects Needed

Olson Kundig is always looking for talented generalist architects and designers with five or more years of professional experience. Based in Seattle, the firm's work is global, encompassing museums, commercial and mixed-use design, exhibition design, interior design and residences. We are interested in strong design that is realized through craft, innovation and technical knowledge.

We provide a full-time position with a benefits package including health benefits, retirement plan and profit sharing. You provide a strong design sensibility, outstanding communication skills, strong Revit skills, an interest in teamwork and collaboration, humor, and an interest in working on all phases of architectural work.

We prefer cover letters that are short and to the point, and strongly prefer hard copy submissions. If you cannot submit your application in hard copy format, please email a compressed PDF that can be easily printed at 8 ½" x 11" or 11" x 17" format without compromising your presentation.

No phone calls please.

To apply for a position, send a cover letter, resume and examples of your design work to:

Human Resources
